

ShelfSystem | 2000

Koskinen's ShelfSystem is a modular design for the home or the office. The solid oak shelves rest on acrylic supports, creating a sense of airiness and the illusion that the shelves are almost resting on thin air. Koskinen explains that he wanted to create a system that focused on the shelves, with the transparent supports very much taking the back seat.

Color Clear acrylic and natural oak; other colours available on request
Measurements With 3 shelves *H570 / 970 x L2400 x D455 mm*
Material Acrylic, solid oak
